INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Cumming, Ga. Sept. 2, 1908.

Mr. Guion Miller,

Washington, D. C.

Dear Sir:

Replying to your letter of recent date in regard to claim No. 15360 I answer as follows:

1. My name is Sarah Barker of Cumming Ga. and I am 86 years old.

2. I claim my Indian blood through my father Jack Ledbetter.

3. My father died in Cherokee County North Carolina before the Indians were taken away from that section of country but I do not know his age he was recognized as a Cherokee Indian. I do not know where my grand-parents were living at the time my father was born but suppose it was in North Carolina with the Cherokee.

4. My grand-fathers name was George Ledbetter and he lived with the Cherokee Indians and was recognized as a Cherokee Indian in the community where he lived.

5. I do not suppose that either my father or grand-father drew as a Cherokee Indian and yet my grand-father may have drawn as a Cherokee Indian but I am of the impression that my father was dead before time for him to draw.

6. I am unable to state whether any of my ancestors were enrolled or not but if they were it was with the Cherokee Indians in North Carolina.

7. My father was a Cherokee Indian and I suppose lived among the Cherokee Indians and I suppose he took part in their tribal proceedings.

8. If my father was living when the Indians were driven west he was living in North Carolina. I do not know whether my grand-parents went with the Cherokee Indians or not. I think my father was dead.

9. I was born in Cherokee County North Carolina among the Cherokee Indians and my father was a Cherokee Indian and this makes me know that I have Cherokee Indian blood.

10. Yes I know of the treaty of 1835 when the government bought from the Cherokee Indians their territory.

11. I was living near Cumming in 1882. My mother was a colored lady.

Very Respectfully,

GENERAL AFFIDAVIT.

State of Georgia County of Floyd. ss.

In the matter of the claim of John Allen, No to share in fund appropriated by Act of Congress of June 30th. 1906 in favor of the eastern Cherokee Indian

ON THIS 11th day of July A. D. 1908, personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Jemes W. Allen age 79 years, a resident of Rome # 8. in thn County of Floyd and State of Georgia. well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

I am the brother of John Allen the applicant. I did not file an application for a share of the above described funds and what I testify to in the affidavit is facts that I have obtained from hearing other people talk. My Mother, EviaAllen, the daughter of Rebecca Johnson nee Holland was recognized by every body that knew her to be part Cherokee Idian. She looked very much like an Indian and I resemble the Indians myself.

I have often talked with my mother relative to her Indian blood and distinctly remember many occasions of her telling me that she was part Cherokee Indian. She would tell me of her experiences with the Indians near Talking Rock Georgia and many other things relative to her Indian blood. My mother told me that she had camped with the Indians and said that they recognized her as an Indian and treated her as such.

[NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.]

His Post Offiee address is Rome, Georgia R. F. D. #8.

He further declares that he is the brother of claimant and is no interest in said case and is concerned in the prosecutfon.

That I am 67 years of age and live in Rome, Ga. My husband claims Indian descent through his mother and his father was a full blooded white man. I think his mother was born and raised in S. C., somewhere up close to Pickens, S. C. I don't know when his mother was born. She was about 80 when she died and it has been about 6 years ago that she died. My husband never said how much Indian he claimed. My husband is an invalid and is now home in bed. My ~~f~~ husband is about 1/8 Cherokee; his mother was 1/4 Cherokee Indian. I am a full blooded white woman. My husband was never on any roll that I ever heard of. Don't know whether his mother was or not. I think the Indians were all taken away from here when my husband was little. His mother has been among the Indians but I don't know whether she ever lived with the Indians or not. Don't know whether she was ever on any rolls or not. His mother's name was Edie Johnson. Her mother, Rebecca Holland, was the Indian. Edie Johnson never had any other name than that of Johnson or Allen. My ~~mothe~~ husband never received any money from the Government. He is recognized as a white man but he shows up some Indian blood. Every one of his children show the Indian too.

Remarks: This claimant - with Berta Holbrook - No. 15395. Cox v. None of these names appear to be on the rolls of 1835 and 1851 - neither are the name of Gillison Harris - who died as late as 1890, appear to be on the Hester Roll - indicating the Eastern Cherokee census in 1882. -

A letter of Dec. 12-07. - sent to DeArmon, Atty., and to Sarah Roberts, copy herewith, asking for more conclusive evidence which would establish ancestral connection with the Eastern Cherokees - and otherwise support these claims. -

Hon Special Commissioner. U.S. Court of Claims.
Washington. D.C.

Dear Sir replying to your letter of Dec. the 13th 1907.
I beg to state that my father Gillison Harris. was a son of Sarah. Harris. whose maiden name was Sarah. pullam. Sarah pullam was a daughter of Minnie pullam whose maiden name was Minnie Vickree, Minnie Vickree was a daughter of Minnie Cordra.
I have always been told by those who knew Minnie Vickree & Minnie Cordra, that they were Cherokee Indians. I never was in Slavery nor any of my Ancestors. but my people were slave owners.
I do not know the reason why my father never enrolled. Some of my brothers & sisters may have failed to apply for a share in the present fund.
- Their reasons I do not know. I think my sister Aunt Fowler did make an application.
Dr Lee Fowler knows more about my Ancestors - than any one - living that I could name. I prefer to - But he can - name them. - His facts - by their Age.
In May he was always called by the neighbors of the Vickrees. that they were Cherokee Indians

and that the old indian named Creek known as
Vickree Creek was named after my people.
Some of the Vickrees married people named Harris.
no relation of my father that I know of.
I am told that my people the Vickrees after marrying
in to the Harris family went to the indian Territory
and have never had any correspondence with them
and have been unable so far to find their P.O.
address. While I know myself that my people were
recognized Eastern Cherokee indians yet to
find them and who can answer it positive by now
seems a difficult task as the people who knew
them here are about all dead.
I remain Respectfully yours
Mrs Sarah Roberts

Sarah Roberts being first duly sworn, deposes and says:

That I am 54 years of age and live in Cherokee Co., Ga. I claim my Indian descent through my father; my mother is a white woman. My father claimed through his mother, Sarah Harris. My grandfather was a white man. I don't know whether any of my great grandparents were living in 1835. My grandmother Sarah Harris was dead in 1835. My father was born in Forsythe Co., Ga. He died in 1890 and was 63 years of age. I don't think that my father ever lived with the Indians as a member of the tribe. I don't know where my grandmother was born and raised. My grandparents moved to Walker Co., Ga. when I was quite small. I was small when my grandmother Harris died. None of my ancestors were on any rolls that I know of. Never heard of them being. I am recognized as a white woman in the community. My husband is a white man. All of my children who are married, married white people. I suppose my great ~~grandmother~~ grandmother, Minnie Cordelle or Cordrey, was dead before 1835. I don't know how much Indian she claimed to be. Think it was 1/4.

App. No. 15380 December 13, 1907.

Sarah [illegible],
Toccoa, Ga.

Madam:-

Relative to your application, No. 15380, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you claim your Cherokee descent through your father, Gillison Harris, your grandmother, Sarah Harris whose maiden name was Sarah Pullam, and your great grandmother, Minnie Vickory or Vickree whose maiden name was Minnie Cordelle or Cordra, who you state was a part Cherokee Indian.

What reason have you for stating your great grandmother, Minnie Cordelle or Cordra was a part Cherokee Indian? Was she ever recognized as such by the tribe? If not, why was she not so recognized?

To what extent by blood was Minnie Cordelle or Cordra a Cherokee Indian? Aside from her alleged Indian blood, did she have any negro blood? If so, was she ever held as a slave?

You state your grandmother, Sarah Harris' maiden name was Sarah Pullam, and Sarah Pullam was the daughter of Minnie Vickree. What is your authority for this statement? Was Minnie Vickree married twice?

You say your grandparents, Gillison D. Harris, and Sarah Harris lived in Forsyth County, Ga. in 1851. Why was Sarah Harris not enrolled at that time? Did they reside any part of

the payment made by the Government to the Cherokee Indians in 1852? If Sarah Harris was a recognized Cherokee Indian and living among them, how can you explain her failure to be enrolled and receive her share of money paid at that time?

The name of your father, Gillison Harris, does not appear to be on the rolls of 1835 and 1851. What reason can you assign for his failure to have been enrolled? As an incident to the investigation of his recognition as a Cherokee Indian, it does not appear that your father, Gillison Harris, was enrolled in 1882, at which time a census of the Eastern Cherokee Indians was taken and a roll made.

Why did not your brother, Berton Harris, and sisters, Lucy Fowler and Ida Osborn, make application to participate in the fund for which the present roll is being made?

Were you ever held as a slave? Were any of your ancestors ever held as slaves? Answer all these questions fully and definitely.

Since the name of your father, Gillison Harris who died as late as 1890, does not appear to have been enrolled in 1851 nor in 1835, nor does the name of his mother, Sarah Harris, appear to have been enrolled at these periods, you must furnish this office with such, written, direct and conclusive evidence showing that he has in fact been duly recognized by the Indians at the time of the treaties of 1835-6 and 1846 or that they are descended from some Indian ancestor duly recognized at that time, in order that your right and the right of those through you to participate in the present Cherokee payment, may be sustained.

Very respectfully,

Sir:-

Relative to the application of Jack Mitt, No. 15402, and other claiming through the same sources - Joe Chuck and his daughter, Clay Mitt - it appears from a careful examination of these applications, that the claimants or their immediate ancestors were slaves. In view of this fact, it will be necessary to reject the claims in question unless you can furnish this office with additional proof of their rights to participate in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

Very respectfully,

Special Commissioner.

Nancy R. Priest being first duly sworn, deposes and says:

That I am 59 years of age and live in Cobb Co., Ga. I claim my Indian through my father; my mother is white. My husband is a white man. I claim through my grandmother Howell. My grandfather Howell was white. My father was born and raised in Cherokee Co., Ga. Don't know when he was born. The Indians stole my grandmother and kept her four years in prison. All I know about this is hearing my grandmother talk about it. I don't know when they stole her - it was before I was born. If my father was living he would be about 108 years of age. My father lived among the Indians in Cherokee Co. He was 1/2 Cherokee. I never lived with the Indians as a member of the tribe. They were gone when I was born. I nor my father were never on any rolls. Don't know about my grandmother. My grandmother's sisters were: Polly and Becky Howell, but I don't know the name of the other one. Polly never married and I don't know who the other one married. She had two brothers, Steve and Washington. I am recognized as white woman but I have always claimed some % Indian. This is the only application I ever made for Indian benefits. My father never made any. All the members of my family and my brothers' and sisters' family claim through my father and his mother and through no other source.

State of Georgia County of Bartow ss.

In the matter of the claim of Rosella C. Whitfield No. 15429 to share in fund appropriated by Act of Congress of June 30th. 1906 in favor of the Eastern Cherokee Indians.

ON THIS 25th day of June A. D. 1908 personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Hezekiah M. Paris age 74 years, a resident of near Adairsville. in thn County of Bartow and State of Georgia.

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows :

I am acquainted with applicant and have known her for something like

[NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.]

50 years in fact I have known her practically all of her life and know her to be the daughter of Annie Crow who was the daughter of Phoeba Crow and that Phoeba Crow was the daughter of Ned Townsend and Annie Townsend nee Taylor.

I married Annie Townsend the granddaughter of Ned Townsend and Annie Townsend see Taylor and I have by my said wife twelve living children the oldest of which is 50 years old. I am familiar with the family history of the entire Townsend family and have known them to be of Cherokee Indian descent mixed with Caucasian blood and from the time I first became asquainted with the family. Annie Townsend the grand mother of my wife according to family history was the daughter ir Ruth or Ruthy Taylor, a Cherokee Indian woman that was taken to the Indian Territory about the year 1835 and Ruth Taylor when taken from this section of the Country was living at some point along or near the border between Georgia and Tennessee and I have always understood that she was taken from in or near a littel town or village named Red Clay which is in the northern part of Whitfield County Georgia and right at the border line of Tennessee, but she may have been removed into Tennessee before final enrollea. Ned Townsend and Annie Townsend had the following children: Ezekiel, Phoeba Crow, Susan Young, Sarena Grover, Nancy Lovelass, Sallie Patterson, Polly Ann Holcomb, Absalom, Thomas and George Townsend.

His Post Office address is Adairsville, Georgia, R. F. D. #2.

He further declares that he has no interest in said case and is not concerned in its prosecutfon. further than a relative of the family having married a Townsend.

Dear Sir :-

Enclosed find affidavit of Mrs Winnie Roach , Gillie Godfrey in support of claim of W.W. James, both of these witnesses are well known to me and both are entitled to full faith and credit,

The facts are as I learn What W. W. James is the son of Salena James by one Johnson Alberda a half breed Cherokee Indian and was not borned in lawful wedlock, but lived with her Salena James for anum er of years before and after the birth if claimant amd tried to carry him with him to the Indian Te.ritory and his mother refused to let him go. his mother after wards married a man by name of Reed and he usually goes by that name. Alberda was enrolled as a Cherokee and was carried off with the Cherokee.s in 1838. Hisevery appearance will cohvince anyone that he is part Indian.

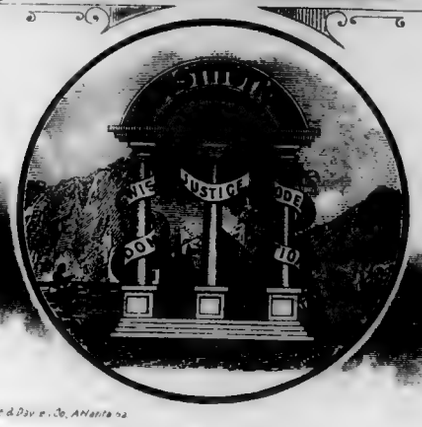

Respectifully Yours,

Dear Sir:-

Replying to your letter of August 19,1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot stat at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

COURT OF CLAIMS

No. 15444.

Paige (1)

Aurania Ga. March 9th 1908

Special Comm. of the Court of Claims
Eastern Cherokee Indians.
Washington D.C.

Dear Sir:-

— In answer to your questions relative to my Eastern Cherokee Claim № 15444 I wish to state, Why my Parents and Grand Parents were not enrolled?- I answer, I do not know! They may have been enrolled for ought I know! This is the first opportunity of enrollment that I haver ever had- Now sir it is reasonable that I have to depend for my information upon the oldest ancesters that is now living of the Chambers Family. My Great Aunt Alantha Dover, Maiden name Chambers, is somewhere in her Eighties and she has a strong mind and splended memory. She swears and has an affidavit filled in the Claim office in Washington DC to the affect that her Father which is my Great Grand father James Chambers did when she was a girl, put in his Claim and did draw his ~~Indian~~ Claim money while they lived in haywood county N.C.

The history or the origin of the Indian blood in the Chambers Family as told by mygreat Aunt Alantha Dover - nee Chambers, is about this.

The Family lived in ~~H~~Haywood County NC. near the Indianreservation when a young Girl of my Great Gret Grand Parents was courted and decoyed off or stollen away by an Indian man and cried across the line

After this girl remained among the Cherokees for sometime, her Cherokee husband sent her back home or she mahave ruaway and come back

Shortly after her return a male child was born from this union with the Cherokee Indian. This Child was a half blood Cherokee. And he is the ~~father~~ James Chambers, my Great Grand father

I do not understand what you mean about Slaves!!

Not a drop of negro blood ever coursed the veins of my ancestors - nothing but pure white blood without the Cherokee mix as I have explained above

Yours Truly

GENERAL AFFIDAVIT.

State of Georgia County of Bartow ss.

In the matter of the claim of William Green Edwards No. 13469 to share in the fund appropriated by Act of Congress June 30, 1906 in favor of the Eastern Cherokee Indians

ON THIS ..... day of ..... A. D. 1907, personally appeared before me, a ..... in and for the aforesaid County, duly authorized to administer oaths, William Green Edwards age 82 years, a resident of near Adairsville in thn County of Bartow and State of Georgia well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

I am the applicant in the above stated case and am the son of Agnes Edwards and Thomas Edwards and have the following brothers and sisters: Thomas, Piercant, Ruth, Melinda, Polly, Vasa, Nancy, Minnie and Agnes Edwards. Thomas Edwards lives near Valonia, Ga., Joseph Edwards, now Minnie Harrell and Agnes Carder of the above mentioned near Valonia, Ga; Melinda married Wilse Johnson and died in Bartow County, Georgia leaving one child Mary who left several children to wit Tate, Henry, Jane, Mat, and Thomas Johnson; Rebecca married Edmund Powell and had two children to wit Nancy Shelton and Rebecca Stanton of Hall County, now in or near Gainesville; Nancy married John Brookshire and left Rebecca Brookshire, Agnes Dotson and Lucile Dotson as her only children and these descendants lived some place in Hampton County, Georgia.

Agnes Edwards my mother was the daughter of Hubbard Carnes and wife who was a Callahan before she married. Hubbard Carnes and wife had the following children, to wit: Jim Carnes who died some place in or near Whitfield County, Georgia; Mabe Carnes who died in Gilmer County, Georgia but lived in or near Hampton County, Georgia in 1851; Bill Carnes who lived in Cherokee County, Georgia about 1851; Elizabeth Carnes; Hubbard Carnes; Madison Carnes; Polly Carnes the grandmother of John S. Cook of Adairsville, Ga. R.F.D. 2; and Ruth Carnes and Isaiah Carnes and Agnes Edwards.

Ruth Carnes was never married but she had several children but I do not know them all, to wit: Joe Carnes and Jack Carnes and Dolia if I am not mistaken was a child of Ruth Carnes. Jack Carnes the son of Ruth Carnes died in or near Auburn County, Georgia and in 1861 Joe Carnes died some place in the northern part of Georgia as best I can tell.

As early as 1835 my mother called me a Cherokee Indian and also called all of her children Cherokee Indians and stated that the Cherokee Indian blood came from her and from my grandmother the wife of Hubbard Carnes. Agnes Edwards and my self received our education and were reared like the Cherokee Indians.

H..... Post Office address is Adairsville, Georgia R.F.D. 2 Box 12.

..... further declares that he has no interest in said case and is not concerned in its prosecution.

State of Georgia County of Cherokee ss.

In the matter of the claim of William Green Edwards No. 15469 to share in fund appropriated by act of Congress of June 30, 1906 in favor of the Eastern Cherokee Indians

ON THIS 10 day of March A. D. 1908, personally appeared before me, a

in thn County of Cherokee and State of Georgia

I am acquainted with applicant and was acquainted with his mother Agnes Edwards and James.

[NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.]

Agnes Edwards had a sister named Ruth James and another sister named Polly James. I knew each of these James women before the Cherokee Indians were removed from Georgia and they were then living in territory that had belonged to the Cherokee Indians.

Agnes Edwards and her sisters were Cherokee Indians and were recognized by the Cherokee Indians as Indians as that early date and the Cherokee Indians associated with them as they did other Cherokee Indians. Agnes Edwards and her sisters were recognized by all that knew her as Cherokee Indians and their descendants were always recognized as having Indian blood by all that knew of their descent.

His Post Office address is Orange, Georgia R. F. D.

He further declares that he has no interest in said case and is not concerned in its prosecutfon.

WASHINGTON, D. C.

No. 15469. (15223)

William Green Edwards, being first duly sworn and examined, deposes and says:

My name is William Green Edwards; I was born in Tenn., Tillico Plains, in 1825; I claim my Indian blood through my mother; my mother's maiden name was Agnes Carnes; I make no claim of Indian blood through my father; my mother was born in Greenville District, S. C. about ~~1800~~ 1795; my mother claimed her Indian blood through her mother; I never saw my grandmother through whom I claim; I do not know where or when my grandmother was born; I do not know her maiden name; my grandmother through whom I claim was dead before I was born; in 1835 I and my mother lived in Pumpkin Co., Ga. as white settlers among the Indians; my mother never lived with the Cherokee Indians as a member of the tribe that I know of; neither I nor any of the ancestors through whom I claimed were enrolled in 1835 or 1851; in 1851 I lived in Pumpkin Co., Ga.; none of my ancestors ever went West with the Indians that I know of; neither my grandmother nor my mother ever had an Indian name that I know of; none of the ancestors through whom I claim were ever held as slaves; both I and the ancestors through whom I claim were always regarded as white people with an admixture of Cherokee Indian; I have heard from my mother that my grandmother was a half breed Cherokee Indian.

William G. Edwards

SUBSCRIBED and sworn to before me, at Cartersville, Ga., this 8th day of July, 1908.

Assistant to Special Commissioner of the Court of Claims.

App. No. 15469 November 22, 1907.

J. C. De Putron, Esq.,
Washington, D. C.

Sir:-

Relative to the list of applications filed by you, of persons claiming through Polly Carnes nee Callahan, which you group under application No. 15223, you are advised that it appears from the application of Wm. G. Edwards, No. 15469, grandson of the said Polly Carnes, that he was born in 1835 and that his mother died in 1855. An examination of the rolls of Eastern Cherokees fails to show that the said Wm. G. Edwards was enrolled in 1851, nor does it fails to show that his mother was enrolled either in 1835 or 1851, or that his grandmother was enrolled in 1835. Likewise the application of John S. Cook, No. 15223, shows that he was born in 1844 and that his mother was living up to about 1875, but the rolls of 1851 fail to show either of their names, and the roll of 1835 fails to show the name of his mother.

In view of these facts, it will be necessary for you to furnish proof that these claimants or their immediate ancestors were recognized members of the Eastern Cherokee Tribe under the terms of the treaties of 1835 and 1846.

Have these claimants any negro blood?

Very respectfully,

EM/LJC Special A

The way I first learned of the Indian blood was by hearing my father and mother Isaiah Christopher Byrd and Margarett Mahulda Byrd nee Lockear~~e~~ speak of it and also by hearing my uncle Sam Eunice or Unis speak of the Indian Blood.

Margarett and Sam Unice had two children named Matilda and Sam Unise and they were born in the swamps of Florida from which place they were taken to the Indian Territory with their parents about 1838. My mother was also taken to the Indian Territory and remained there for two years after which my father Isaiah Christopher Byrd stole her from the Territory and brought her back to Carroll County- Georgia and my half Uncle Sam Unice also came back with them and married a Knight and lived in Randolph County, Alabama until about the year 1860 after which he moved to Talledega, Alabama. My grand mother was a full blood Cherokee Indian and was raised in the north east part of Florida.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec'd MAR 11 1908
No. 15482.

Dear Sir:-

If my mother is not enrolled on the list of Cherokee Indians, she should be as my grand parents on my mother side died in the Indian Nation. My father was a White man and he stole my mother from the Indians and brought her back to Georgia. My grand parents were Cornered out there and they died there and certainly should be on the rolls.

I have never had a chance to enroll until this last year 1907. But not know anything about it. I knew or at least I thought all the time that I would have to go to the Territory - to get the money - or land. There has never been any slaves in my family. I am white mixed with Cherokee Indian.

In the first place I look like an Indian and I have been taught all my life that my mother was a Cherokee Indian. The next first thing that I can remember was the story of my father's marriage to my mother a Cherokee Indian Girl. If there is a mixed breed on the face of the earth I am one.

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were never enrolled? Why were your grandparents never enrolled? Why have you never been enrolled? Were any of your ancestors ever slaves? If they were, please state whether they were slaves of Indians or of white people?

State clearly all your reasons for thinking that you are entitled to share in this fund, and send your reply to this office.
